WONDER
All in one
GROUP

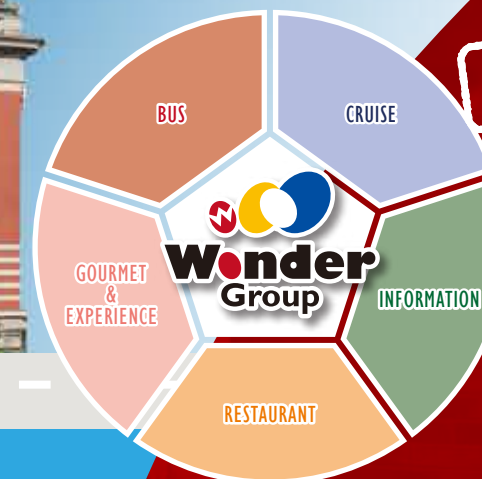

The Leading Tourism Company In Osaka

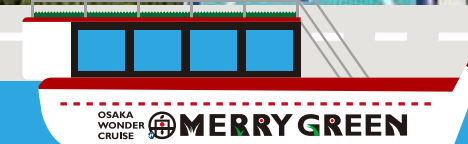

Providing One-of-a-Kind Tourism Businesses from Osaka

We, Wonder Group (Kansai Inbound Association Co.,Ltd), are a company that produces and develops inbound-focused tourism projects. We operate our loop buses that circle around Osaka City, sell special tickets through a tie-up with Osaka Metro and Osaka City Bus, operate the Water Metropolis Osaka cruise business, and operate houseboats, among other tourism businesses. We also operate Japan's largest cultural experience facility and tourist information center, and plan tie-ups with 70 restaurants in the city to provide services that enable foreign tourists to enjoy Osaka tourism to the fullest. In the future, we will further strengthen transportation infrastructure, enhance information infrastructure using tourist information centers, print media, and the Web, and strengthen payment infrastructure to enable cashless tourism, in order to expand our sales network in Japan and overseas, revitalize our business, and contribute to inbound tourism in Osaka.

ALL IN ONE

To "Kita" and "Minami"
Our buses run around
in this city with joy.

Easy access to sightseeing spots with hop-on hop-off loop bus

Seeing a city from the streets is the most exciting way to discover a new location. With great views and live guide commentary, our hop-on hop-off loop buses take visitors to easily popular areas in Osaka. No need to figure out how to go anywhere. Sit back, relax, enjoy the scenery and let the staff tell you about our city!

Developing a bus service of this kind in Osaka is incredibly challenging and shows the true synergy of Wonder Group. The Osaka Wonder Loop Bus service is offered with optional tickets for Osaka Wonder Cruise, Osaka Metro and Osaka City Bus making it a perfect package.

Experience with our Live Guides by Concierge

Osaka Wonder Loop's concierges, all of whom are fluent in English (and some in Chinese and Korean), will introduce the attractions of Osaka through live guided tours that are not bound by guide manuals.

You can enjoy our bus comfortably inside the car through the year!

We also operate comfortable air-conditioned buses come with its roof above your head that you can sit back and relax comfortably all year. In summer, cooling sheets and fans are distributed to those who wish to use them. In winter, blankets, body warmers and bench coats are available.

You can experience Osaka right after you get off your ride!

Our buses run every 70 minutes to the major sightseeing spots throughout in Osaka City. 15 bus routes allow you to go to all-in-one sightseeing spots in Osaka, including not only well-known popular spots but also the hottest spots recently trendy.

Travel the popular spots in Osaka by our special buses.

We "Osaka Wonder Loop" are the only high-decker open-top bus in Osaka that allows you to enjoy sightseeing efficiently while freely getting on and off at any bus stop as many times as you like.

Our bus stops are in Osaka Castle, Dotonbori, Shinsaibashi and other 15 trendy sightseeing spots. The open-air, roofless sky view is a powerful sightseeing experience! Our bus with its roof, which are air-conditioned and comfortable throughout all year. The buses are equipped with free Wi-Fi and a live concierge who speaks English (Chinese and Korean are also available) to guide you through the city of Osaka.

Unlimited rides on city buses and subways!

Ever struggle with the issues like "I lost so much time just looking for a means of transportation" or "It is difficult to buy a ticket because different transportation systems have different ways of buying tickets,"? Our tie-up service with Osaka Metro (subway and New Tram) and Osaka City Bus (all lines) is here! Our "Osaka Wonder Loop" and "Osaka Wonder Day Cruise," are providing Japan's first "Osaka City Hop-on Hop-off Pass," a ticket that allows unlimited and convenient rides on buses, boats, and subways.

Leave the hustle and
bustle of the city
Find out what Osaka
has to offer!

Our 3 cruise ships are perfect to experience this water Metropolis

There are many words to describe Osaka, such as "the city of food and drink" and "the city of human kindness," but one thing that cannot be overlooked when discussing its history is its role as a "water city" that has supported commerce and culture since ancient times. Osaka's topography is unique in the world, and its rivers and bridges stretch throughout the city. Get onboard one of our three cruise ships, each with a different flavor, for a moment of cruising. The "River Cruise" is full of the history of the water city Osaka and its charms yet to be discovered.

Enjoy the cruising and sightseeing on the waterways in Osaka City

See some of our city's oldest bridges cruising the canal between two of Osaka's most popular areas to visit, Dotonbori and Osaka Castle. Once a city where waterways were important transportation routes, the rivers now provide a great and relaxing way to go sightseeing. Get a front seat directly below the famous Glico running man sign or go through the water lock and cruise onto Okawa river near the castle.

History of Wonder Group (Kansai Inbound Association, Inc)

2013~2015 Period of development

Preparing for the approval of each tourism project for inbound over a three-year period and development by investing capital in the start-up. Obtaining the name of sponsorship from the Osaka City Economic Strategy Bureau and the name of support from the Osaka Convention and Visitors Bureau. Explanation of the bus route to local shopping areas and neighborhoods in 14 locations within the city.

2016~2018 PoC/Entry into cruise business

Our "Loop Bus" demonstration test launched after business approval from Osaka city. We have expanded domestic and international sales network including hotels, travel agencies, and web sales. March 2016, Osaka One Loop experimental operation has started. December 2016, Osaka City Pass, a combination ticket with Osaka Metro and Osaka City Bus, has gone on sale.

2019~ Growth Period

After two years of demonstration testing, resources are in place. We have strengthened our promotion for further business expansion! We have formed project teams and increased new staff to promote each of our business! Full-scale sales and PR for each tourism project will begin from next April!
